

Serve Your Guests the "Best Chicken" on Earth!

"GENUINE BROASTER CHICKEN"

What exactly is "Genuine Broaster Chicken"?

Genuine Broaster Chicken® begins with fresh, quality chicken, carefully marinated and coated with specially formulated Broaster ingredients. Then, as each order is received, the chicken is placed inside a patented Broaster Company cooker. Each individual piece is cooked "under pressure" in the chicken's own natural juices, while searing the chicken with a golden, crispy coating. The result is "Genuine Broaster Chicken®". No other process, no substitution of Broaster® ingredients can duplicate the world famous texture and delicious Broaster® flavor.

Top 5 Reasons To Serve "Genuine Broaster Chicken".
